Action Sport Drives have teamed up with the best surfboard companies in the industry to create the original USB Flash Drive short surfboard. We've combined this innovative design with the graphics from actual ...Lost surfboards like their Bottom Feeder, Horan and Rocket V2 Models.

Now you can get your favorite surfboard graphics, and transfer files in style.

Features:

- ...Lost Graphics w/ Rubberized texture
- Neck strap / lanyard attachment (lanyard not included)
- USB 2.0 High Speed Interface
- True Plug-and-Play connection for hot swap function
- Supported OS: Windows® 8, 7 / Mac OS X® and above
- Backed by Two (2) Year Limited Warranty
- SurfDrive Dimensions: 23mm (W) x 4.8mm (H) x 96mm (L)
