

MY SENSORY BOX

MY FARM BOX

This box contains:

Cow bell, farm animals, picket fence, corn stalks, bales of hay, farm animal beads, mini vegetable erasers, lacing animal board and painted barn.

The inspiration for this month's sensory box is the farm. Life on a farm is both busy and exciting. Farms provide us with many things like, food and clothes. Have fun exploring your very own farm box.

- String the animals on the rope.
- Place the animals inside the barn.
- Talk about the vegetables you like to eat or have grown in a garden.
- Build your farm.
